When the Animal Control Officer or County Agent receives information that any person has been bitten by an animal or that a dog or animal is suspected of having rabies, the Animal Control Officer or County Agent shall order the owner to confine such animal in the manner provided herein for a minimum of ten (10) days.

1. An animal must be quarantined by a licensed veterinarian at the owner's expense, if:
 - A. The animal, over four (4) months of age, has no record of current rabies vaccination. Unvaccinated animals cannot be vaccinated until the end of the quarantine period, at which time the animal must be vaccinated at the owner's expense and paid in advance of the 10-day hold.
 - B. The events leading to the incident are such that rabies is suspected.
 - C. There was no due cause for the incident, or the animal has suspicious recent history. This will be utilized even if the animal has a record of being currently vaccinated for rabies.
2. Home quarantine may be permissible if:
 - A. Conditions listed in Subsection 1.07 (1) are not applicable and the owner can provide proper confinement of the animal, complete with the posting of a sign in a conspicuous place, warning of possible rabies infection. Confinement will be done by the penning of the animal so that there is a metal barrier as to prevent the intimate approach of any other animal or person.
 - B. The owner of the animal shall sign an agreement to adhere to the rules of confinement for the designated length of time, and also agrees to notify the County immediately if the animal sickens, dies, or escapes.

1.09 RIGHT TO KILL

The County reserves the right to euthanize any animal not under observation for rabies or under rabies quarantine for which no reasonable veterinary care would prove to be practical to sustain said animal, when said animal is afflicted with a contagious disease which would endanger the welfare of the other animals in the shelter, or any dog declared as vicious by Jasper County.

1.10 KEEPING OF VICIOUS DOGS AND DANGEROUS ANIMALS PROHIBITED

No person shall keep, shelter or harbor any animal as a pet, or act as a temporary custodian for such animal, or keep, shelter or harbor such animal for any other purpose or in any other capacity within the County except as provided in Section 1.11 of this chapter. The prohibition contained in Section 1.10 of this chapter shall not apply to the keeping of illegal animals in the following circumstances:

4. The keeping of illegal animals by a wildlife rescue organization with appropriate permit from the Iowa Department of Natural Resources.
5. Dogs while utilized by any law enforcement officer in the performance of enforcement work.

1.12 ABATEMENT PROCEDURES PERTAINING TO VICIOUS DOGS AND DANGEROUS ANIMALS

If the County Agent has a reasonable suspicion that a dog is vicious, or a dangerous animal is in violation of this chapter, the County Agent shall conduct or cause to be conducted, an investigation. In the event that the County Agent has probable cause to believe that a dog is vicious, or a dangerous animal is in violation of this chapter, the County Agent shall be empowered to convene a hearing for the purpose of determining whether or not the dog in

question should be declared vicious or the dangerous animal is in violation and constitutes a hazard.

If a hearing is to be convened, the County Agent shall notify the owner or keeper of the vicious dog or dangerous animal that a hearing will be held at which said owner or keeper may have the opportunity to present evidence why the dog or dangerous animal shall not be declared a hazard.

The hearing shall be held promptly within no less than five (5) days or more than ten (10) days after the service of notice upon the owner or keeper of the dog or dangerous animal. The hearing shall be informal and shall be open to the public.

The hearing shall be overseen by a three (3) person committee. Members of the committee shall have two-year appointments and the committee shall consist of one member being an employee from the Jasper County's Sheriff's Office, one member being a licensed veterinarian, and one member being a Jasper County resident.

After the hearing, the owner or keeper of the dog or alleged dangerous animal shall be notified in writing of the determination. If a determination is made that the dog is vicious or the dangerous animal is a hazard; the owner or keeper shall comply with the provisions of this chapter in accordance with a time schedule established by the County Agent, but in no case more than thirty (30) days subsequent to the date of determination. If the owner or keeper of the dog or dangerous animal contests the determination, he or she may bring a petition in the district court within the judicial district wherein the dog or dangerous animal is kept, praying that the court conduct its own hearing on whether or not the dog be declared vicious or the dangerous animal be found to be in violation and a threat to the public safety. After service of notice upon the County Agent, the court shall conduct a hearing anew and make its determination as to alleged viciousness or hazard. The issue shall be decided upon the preponderance of the evidence.

If the court rules the dog to be vicious, or the dangerous animal to be a threat to the public safety, the court may establish a time schedule to ensure compliance with this chapter. The court may decide all issues for or against the owner or keeper of the dog or dangerous animal, regardless of the fact that said owner or keeper fails to appear at said hearing. The determination of the district court shall be final and conclusive upon all parties thereto. However, the County Agent shall have the right to declare a dog vicious or an animal dangerous for any subsequent actions of the dog or animal. In the event that the County Agent has probable cause to believe that the dog in question is vicious or the animal is dangerous and poses a threat of serious harm to human beings or domestic animals; the County Agent may seize and impound the dog or dangerous animal pending the aforesaid hearings. The owner or keeper of the dog or dangerous animal shall be liable to the County when the dog or dangerous animal is impounded for costs and expenses of keeping such dog or dangerous animal.

The air temperature or ventilation in the confinement area shall be suitable to preserve the health of a normal animal of the same species.
8. If an animal is fastened by a leash, including a rope or chain, which restricts the movement of the animal, a leash shall be attached to the animal by a well-fitting collar or harness that is fastened to the animal in a manner designed to prevent injury or entanglement. A leash shall not restrict an animal from access to adequate shelter or sufficient food or water.

1.14 ANIMAL WELFARE COMPLAINTS

- C. If permission to investigate is denied by the owner, law enforcement will be contacted for procedure to gain admittance to investigate. If necessary, a search warrant may be requested by law enforcement from the county attorney.
