

April 8, 2014

Tuesday, April 8, 2014 the Jasper County Board of Supervisors met in regular session at 9:30 a.m. with Supervisors Brock, Stevenson and Carpenter present and accounted for; Chairman Brock presiding.

Conservation Director, Keri Van Zante spoke to the Board about the possibility of getting matching funds from the Iowa Legislature to repair Chichaqua Valley Bicycle Trail. Van Zante told the Supervisors that Senator Dennis Black said he could see to it that \$180,000 was placed in a Senate infrastructure bill with the intent that the Supervisors would match that funding to repair the surface of the Chichaqua Valley Trail between Baxter and Ira. Should the quotes come in higher than the combined \$360,000, the Board said it would revisit the issue at that time.

Motion by Stevenson, seconded by Carpenter to agree to appropriate \$180,000 in matching funds to repair the surface of the Chichaqua Valley Bicycle Trail contingent upon State of Iowa making available \$180,000 in State funding to Jasper County for the project.
