Agenda item #4 the approval of a fireworks permit for Angela Dalbey died for lack of a motion. The Supervisors expressed safety concerns due to the drying crops in the fields. Supervisor Brock also stated that the State Legislature needs to deal with this issue and not put it on the backs of the local Supervisors to make an exception to the Iowa Law which does not permit fireworks.

Motion by Stevenson, seconded by Brock directing the Auditor to publish notice to the public that they would approve no more fireworks permits this year.

Supervisor Brock reported that the Board had been advised to wait for the road construction season to come to an end before bidding out the demolition of the old County Care Facility. The theory behind this thinking is that bids would be lower because construction firms would be looking for work at that time.

There were no Board appointments.

Motion by Brock, seconded by Stevenson to adjourn the Tuesday, September 8, 2015 meeting of the Jasper County Board of Supervisors.
