YEA: BROCK, STEVENSON, CARPENTER

County Attorney Mike Jacobsen asked the Board to adopt a resolution relating to the disclosure of security related information. The policy is for the protection of county employees, visitors to county facilities, persons in the care or custody or under the control of the county and property under the jurisdiction of the county and is in accordance with Iowa Code 22.7(5)(2015).

Motion by Brock, seconded by Stevenson to adopt Resolution 15-41 a resolution approving a policy for Disclosure of Security Related Information.

YEA: STEVENSON, BROCK, CARPENTER

A complete copy of the resolution is on file in the Office of the Jasper County Auditor.

Agenda item #4 the approval of a fireworks permit for Angela Dalbey died for lack of a motion. The Supervisors expressed safety concerns due to the drying crops in the fields. Supervisor Brock also stated that the State Legislature needs to deal with this issue and not put it on the backs of the local Supervisors to make an exception to the Iowa Law which does not permit fireworks.

Motion by Stevenson, seconded by Brock directing the Auditor to publish notice to the public that they would approve no more fireworks permits this year.

YEA: BROCK, CARPENTER, STEVENSON

Supervisor Brock reported that the Board had been advised to wait for the road construction season to come to an end before bidding out the demolition of the old County Care Facility. The theory behind this thinking is that bids would be lower because construction firms would be looking for work at that time.

There were no Board appointments.

Motion by Brock, seconded by Stevenson to adjourn the Tuesday, September 8, 2015 meeting of the Jasper County Board of Supervisors.
