BE IT RESOLVED that the Jasper County, Iowa roadway easements and other interests upon the real estate described in Attachment "A" are no longer necessary for any public purpose and ought now be vacated in the manner allowed by law,-- reserving however all of such area for general public utility usage.

FURTHER RESOLVED that by Iowa Code 306.11 which states "If the proposed vacation is of part of a road right-of-way held by easement and will not change the existing traveled portion of the road or deny access to the road by adjoining land owners, a hearing is not required" a public hearing was not held since there was no evidence found to indicate that any of the described portions of roadway were ever open or used as roadways.

The Supervisors listened to the complaint from Theresa Dunnington and Brian Meeker that the Secondary Roads Department allowed Alliant Energy to cut down hard wood trees out of the right of way at their house without up to date permits and some supervision. The Supervisors were told that Alliant Energy apparently cut the trees down in October and then telephoned the County Engineer in December to say that they were going to cut the trees out of the right of way. All totaled 64 trees were cut down in the right of way and on the private property of Dunnington and Meeker. They suggested to the Board that they would like to see permit documentation include oversight by the County, landowners be contacted before tree cutting began and recourse of contacting a County inspector to file complaints so that this doesn't happen again.

Lori Goodman asked the Board for help in fixing a road, N 39th Ave E in Deal's Acres. The road is not a County road and is actually private property. Goodman said that several people live on the road and she would like to be able to expect fire protection, emergency services, utility services could get to her house if need be. The Supervisors indicated that there wasn't much that they could do since the road is private road.

Motion by Talsma and seconded by Cupples to approve Board of Supervisors minutes for 01/08/2019.

YEA: CUPPLES, TALSMA, CARPENTER

Motion by Carpenter and seconded by Talsma to adjourn the Tuesday, January 15, 2019 meeting of the Jasper County Board of Supervisors.
