Supervisor Talsma explained to the Supervisors that the Administration Building Wall Mural Committee thought it best that the County hire a professional photographer to take the pictures for the wall murals in the new County Administration Building because of the resolution needed for such a large mural. A contest could be held to select the scenes that the photographer would take. Photos taken by actual contestants will be made into 11x24 pictures to be hung in the various rooms of the building.

Motion by Talsma and seconded by Carpenter to approve the plan set forth by the Administration Building Wall Mural Committee.
