Re: 2022 Motor-Grader Bid

Dear Supervisors,

A request for bids for ten (10) motor-graders was sent out to two (2) potential bidders on January 26th, 2022. The potential bidders were Ziegler (CAT) and Murphy Tractor (Deere). Base, alternate, and voluntary alternate bids were requested. Each option was based upon a machine service life of seven (7) years and 10,000 engine hours and the inclusion of a full machine warranty over the entire service life. On February 9th, 2022 we received base and alternate bids from both Ziegler and Murphy Tractor. The bids received were as follows:

	Murphy Tractor				Ziegler			
	Make	Model	Qty.	Total Bid Price	Make	Model	Qty.	Total Bid Price
Base	Deere	670G	10	\$2,920,000	CAT	140	10	\$3,201,990
Alt	Deere	770G	10	\$3,220,000	CAT	150	10	\$3,525,060

After review of these bids, our department decided the base bid option was incapable of providing the hydraulic or engine power necessary to carry out winter operations in the most effective and efficient manner. The current fleet of CAT 12M3's, equivalent to the CAT 140 above, are not capable of getting a motor-grader back onto the roadway from a ditch in one move using the moldboard plow. Nor are they capable of punching through heavy wet or deep snow at top gear or speed. Given this consensus, the base bid was eliminated from further evaluation.

The analysis carried out by my department compared the hourly cost of ownership between the Deere 770G and CAT 150. The hourly cost of ownership is influenced by the upfront machine costs and the residual value of the machine at the end of its service life. Each bidder was asked to indicate whether this residual value would be paid out through a guaranteed repurchase or guaranteed trade-in. The following shows the method of residual cost payout and the cost of owning each unit per hour:

Murphy Tractor							Ziegler						
Make	Model	Guaranteed (repurchase or trade-in)	Residual Value per Unit	Total	Service Life hours	Cost of Owning per unit per hour	Make	Model	Guaranteed (repurchase or trade-in)	Residual Value per Unit	Total	Service Life hours	Cost of Owning per unit per hour
Deere	770G	trade-in	\$ 67,500	\$ 675,000	10,000	\$25.45	CAT	150	repurchase	\$ 145,000	\$1,450,000	10,000	\$20.75

Although the CAT 150 is the better value from a cost of ownership perspective, its upfront cost would require additional FY23 budget funds. This prompted my department to look at a third option for capturing more residual value from the Deere 770G units. That option would be, at the end of service life gain board approval to allow secondary roads, to directly auction off the units. Readily available information suggests that a residual value of \$100,000 per Deere 770G unit would be possible. If this idea were acceptable to the board, the cost of owning the Deere 770G drops to \$22.20 per unit per hour. Moreover, the Deere 770G upfront cost is within the limits of the FY23 equipment budget line item. Lastly, the Deere 770Gs are being provided with the upgraded, enclosed, circle at no additional costs. This in our opinion, if auctioning the units at end of service life is a possibility, makes the Deere 770G a better overall value.

After much consideration, and with the conditions noted above, the Jasper County Highway Department recommends approving the alt bid submitted by Murphy Tractor for ten (10) Deere 770G motor- graders at a total cost of \$3,220,000. Delivery date, according to Murphy Tractor, if ordered by February 23, 2022, could be as early as October 2022. Although we would work with them to have the machines delivered closer to March 2023.

Sincerely,

Michael J. Frietsch, P.E., FMP
 County Engineer

TABLE OF ARTICLES

- 1 INITIAL INFORMATION
- 2 SERVICES UNDER THIS SERVICE ORDER
- 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION
- 4 COMPENSATION
- 5 INSURANCE
- 6 PARTY REPRESENTATIVES
- 7 ATTACHMENTS AND EXHIBITS

ARTICLE 1 INITIAL INFORMATION

§ 1.1 Unless otherwise provided in an exhibit to this Service Order, this Service Order and the Service Agreement are based on the Initial Information set forth below:

(State below details of the Project's site and program, Owner's contractors and consultants, Architect's consultants, Owner's budget and schedule, anticipated procurement method, Owner's Sustainable Objective, and other information relevant to the Project.)

The scope of work includes conservation and restoration of (4) rotunda murals which have previously received water damage. In addition to the murals, restoration of decorative paint in the rotunda, stairwell and courtroom will be documented for repair.

§ 1.2 The Owner and Architect may rely on the Initial Information. Both parties, however, recognize that such information may materially change and, in that event, the Owner and the Architect shall appropriately adjust the schedule, the Architect's services, and the Architect's compensation. The Owner shall adjust the Owner's budget for the Cost of the Work and the Owner's anticipated design and construction milestones, as necessary, to accommodate material changes in the Initial Information.

ARTICLE 2 SERVICES UNDER THIS SERVICE ORDER

§ 2.1 The Architect's Services under this Service Order are described below or in an exhibit to this Service Order, such as a Scope of Architect's Services document.

§ 2.1.1 Basic Services

(Describe below the Basic Services the Architect shall provide pursuant to this Service Order or state whether the services are described in documentation attached to this Service Order.)

Architect's Basic Services include usual and customary architectural services as required for the scope of work.

Construction Documents Phase Services

The Architect shall prepare Bid Documents for the Owner's approval. The Bid Documents shall consist of Drawings and Specifications defining the scope of the Work. The Owner and Architect acknowledge that, in order to perform the Work, the Contractor will provide additional information which the Architect shall review.

Procurement Phase Services

The Architect shall assist the Owner in establishing a list of prospective contractors. Following the Owner's approval of the Bid Documents, the Architect shall assist the Owner in (1) obtaining either competitive bids or negotiated proposals; (2) confirming responsiveness of bids or proposals; (3) determining the successful bid or proposal, if any; and, (4) awarding and preparing contracts for construction.

Construction Phase Services

The Architect shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A201™-2017, General Conditions of the Contract for Construction. If the Owner and Contractor modify AIA Document A201-2017, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

Certificates for Payment to Contractor

The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated, the quality of the Work is in accordance with the Contract Documents, and that the Contractor is entitled to payment in the amount certified. The foregoing representations are subject to (1) an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) results of subsequent tests and inspections, (3) correction of minor deviations from the Contract Documents prior to completion, and (4) specific qualifications expressed by the Architect.

Submittals

The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval of the schedule. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time, in the Architect's professional judgment, to permit adequate review.

Changes in the Work

The Architect may order minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to Section 4.2, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 2.1.2 Additional Services

(Describe below the Additional Services the Architect shall provide pursuant to this Service Order or state whether the services are described in documentation attached to this Service Order.)

ARTICLE 3 DATE OF COMMENCEMENT AND SUBSTANTIAL COMPLETION

§ 3.1 Unless otherwise provided in an exhibit to this Service Order, the Owner's anticipated dates for commencement of construction and Substantial Completion of the Work are set forth below:

- .1 Commencement of construction date:
Summer 2022
- .2 Substantial Completion date:
Fall of 2022

ARTICLE 4 COMPENSATION

§ 4.1 For Basic Services described under Section 2.1.1, the Owner shall compensate the Architect as follows:

.1 Stipulated Sum

(Paragraphs deleted) Eight Thousand Dollars (\$8,000)

§ 4.2 For Additional Services described under Section 2.1.2 or in the Master Agreement, the Architect shall be compensated in accordance with the Master Agreement unless otherwise set forth below:
(Insert amount of, or basis for, compensation if other than as set forth in the Master Agreement. Where the basis of compensation is set forth in an exhibit to this Service Order, such as a Scope of Architect's Services document, list the exhibit below.)

§ 4.3 For Reimbursable Expenses described in the Master Agreement, the Architect shall be compensated in accordance with the Master Agreement unless otherwise set forth below:
(Insert amount of, or basis for, compensation if other than as set forth in the Master Agreement. Where the basis of compensation is set forth in an exhibit to this Service Order, such as a Scope of Architect's Services document, list the exhibit below.)

§ 4.4 When compensation identified in Section 4.1 is on a percentage basis, progress payments for each phase of Basic Services shall be calculated by multiplying the percentages identified in this Article by the Owner's most recent budget for the Cost of the Work. Compensation paid in previous progress payments shall not be adjusted based on subsequent updates to the Owner's budget for the Cost of the Work.

ARTICLE 5 INSURANCE

§ 5.1 Insurance shall be in accordance with section 3.3 of the Master Agreement, except as indicated below:
(Insert any insurance requirements that differ from those stated in the Master Agreement, such as coverage types, coverage limits, and durations for professional liability or other coverages.)

(Table deleted)
