The Supervisors took bids from two contractors for the Courthouse mural and artwork painting project, and they are as follows:

	Mural Base Bid	Painting Base Bid	Unit Price
The Conservation Center	\$180,970	\$28,110	No Response
Evergreen Architectural Arts	\$159,860	\$72,800	\$250 per hour

The Conservation Center could complete the work in four months and Evergreen Architectural Arts could complete the work in 2 months. Buildings and Grounds Director Adam Sparks told the Board that the County would have to rent scaffold at a price of \$28,000 per month for the project.

Taking all things into consideration with the added cost of the scaffold per month, the amount of time each company would spend doing the job and the fact that The Conservation Center did not include a unit price in the bid the Board chose to hire Evergreen Architectural Arts to do the job.

Motion by Cupples and seconded by Carpenter to approve the bid from Evergreen Architectural Arts in the amount of \$232,660 to do the Courthouse mural and artwork painting project.
