Re: Fire Alarm System Installation Elections BLDG.

Adam,

Thank you for the opportunity to provide you with a proposal for the installation of the fire alarm system for the above project.

We are proposing a manual fire alarm system per Section 907 Fire alarm and Detection Systems of the 2018 International Fire Code. Under the building classification of Business Group B, 907.2.2.

Equipment:

- (1) **Hochiki Addressable 1127 Expandable w/ built in Dialer**
- (1) **System Sensor Horn Strobes Ceiling Mount**
- (1) **System Sensor Strobes Ceiling Mount**
- (2) **Hochiki Addressable Manual Pull Stations.**
- (2) **Hochiki Analog Smoke Detectors**
- (10) **Fixed Temp Heat Detectors**
- (1) **Hochiki ACD-V Smoke/Heat/Co2**
- (1) **All-American Monitoring GSM**

The total cost for us to perform the installation as outlined in this proposal would be \$5,400.00 plus all applicable tax.

A monitoring company is also required. IFEC can offer a third-party company, All American who charges \$35.00 per month for their monitoring, or the owners can choose their own company and provide the information for programming at the time of service.

As we continue to face issues with product availability, this quote does not guarantee product availability at the time of acceptance. IFEC will source equipment as timely as we are able to with current global market conditions.

All work to be completed during normal business hours of 7:30am - 4:30pm Monday –Friday, excluding holidays.

To the fullest extent permitted by law and to the extent claims, damages, losses or expenses are not covered by Liability Insurance provided by the Distributor, the Distributor shall indemnify and hold harmless the Purchaser, the Purchaser's consultants and agents and employees of any of them from and against claims, damages, losses and expenses including but not limited to attorney's fees, arising out of or resulting from performances of the work, the provision of services or the materials provided (the work) provided that such a claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death or to injury to or destruction of tangible property (other than the work itself) but only to the extent caused by the negligent acts or omission of the Distributor, a Subcontractor of the Distributor anyone directly or indirectly employed by them or anyone whose acts they may be liable, regardless of whether or not such a claim, damage, loss or expense is caused in part by a party indemnified hereunder.

Iowa Fire Equipment Company carries a maximum limit for General Liability insurance of \$4,000,000.00, composed of a General Liability Aggregate Limit of \$2,000,000.00 and an Excess/Umbrella Liability Aggregate Limit of \$2,000,000.00. Iowa Fire Equipment Company carries a Workman Compensation insurance limit of \$500,000.00. As these are definitive limits, if our insurance coverage does not meet your specifications, please disregard this proposal.

Iowa Fire Equipment Company accepts Master Card and Visa. There will be a 3.5% convenience fee added to all payment amounts when paying by credit card.

This quote is valid for a 30-day period, unless otherwise authorized by an Iowa Fire Equipment Company representative.

If you have any questions or concerns, please contact us at 515-500-1010 or via email at djrobinson@iafire.com.

Please sign and return one copy of this proposal as your acceptance, and we will contact you to discuss scheduling.

WHEREAS, at the request of the CONTRACTOR or COUNTY, the CONTRACTOR and the COUNTY shall review the detour routes and signs and, if necessary, enter into a new Agreement due to changing circumstances. This agreement shall remain in effect until replaced or cancelled by either party but shall not remain in effect for longer than 5 years from the date of full execution of this agreement.

WHEREAS, the COUNTY shall notify the CONTRACTOR if a bridge or structure on the detour route cannot carry legal loads or permitted loads up to 156,000 lbs. The COUNTY shall inform the CITY of the allowable load limit so that the route can be reviewed, or if the allowable load limit changes.

NOW, THEREFORE, IT IS AGREED that Prairie Ave, S 80th Ave W, W 90th St S, W 86th St S, and Highway 163 can be used as a detour under stipulations outlined above.

IN WITNESS WHEREOF, the CITY and COUNTY have caused this Agreement to be executed by proper officers thereunto duly authorized as the dates shown below.
