To: Jasper County Supervisors

From: Michael J. Frietsch, P.E., FMP
County Engineer

Re: Bridge Steel for J08, N06, and Stockpile

Dear Supervisors,

Replacement of bridges J08 and N06 are programmed for FY2023. Both bridges will be replaced with 50' beam-in-slab bridges by the secondary roads bridge crew. Also, stockpile steel was needing replenished. Moreover, funds are available in the FY2023 budget to cover these expenditures. Given the needs and available funds a request for bid proposal was sent out to Oden Enterprises, Husker Steel, and Nucor.

Only one bid was received. Oden Enterprises submitted a bid for \$239,390.08. Of which \$66,150.89 of steel will be spent on each bridge and \$107,088.30 of steel will be placed in stockpile. Prices for steel have increased approximately 10% since the December 2021 bid.

After consideration of the bid submitted by Oden Enterprise and the reasonable increases in costs the bid represents, the Jasper County Highway Department recommends approving the proposal from Oden Enterprises for bridge steel at a total cost of \$239,390.08.

Sincerely,

A handwritten signature in black ink, appearing to read "M. J. Frietsch". The signature is written in a cursive, slightly slanted style.

Michael J. Frietsch, P.E., FMP
County Engineer
