Jasper County RIDE Program

RSVP's Jasper County RIDE volunteers fill a transportation gap in Jasper County by providing access to medical appointments and other medically necessary services free of charge.

Passengers must be Jasper County residents who have no other means of transportation. They must be 65 or older, a U.S. Veteran, qualify for low-income assistance, OR receive disability.

Rides need to be scheduled at least one week in advance of the appointment out of respect for the volunteers' time and to ensure availability of volunteers.

We currently have 24 drivers, with two on hold because of health concerns. In the first quarter of 2022, the drivers gave 37 rides to veterans. They gave 35 veteran rides in the second quarter. In August alone, the drivers took veterans to 32 appointments.

They need is there and this program fulfills that need at no cost to the clients. It is a VERY rare occurrence when a request for a ride cannot be filled - even during the winter months when many drivers leave for warmer temperatures. This is because the drivers care for our clients and know that many would forgo medical care because of lack of transportation.

We transport veterans anywhere in Iowa. One veteran client was transported to life-saving dialysis three days a week for years. He has since passed away. Another veteran client goes to Des Moines for transfusions every four weeks. Others go to physical therapy/rehab multiple times a week.

Along with rides to much-needed appointments, the drivers often provide support and companionship to the veterans. Many relationships are established.

I'm confident in saying that you could ask any of our veteran clients their thoughts on the program and you will receive nothing but positive, supportive feedback.
