

RESOLUTION 19-22

Resolution to Authorize 10,000 lb. Weight Restriction on Granular Surfaced Roads when Deemed Necessary in Jasper County

WHERE AS the County Board of Supervisors is charged with the duty of establishing policies and providing funds to properly maintain the secondary roads (Iowa Code Section 321.471)

WHERE AS the Jasper County Secondary Roads Department has the ability to place an embargo on all granular surfaced roads when necessary.

WHERE AS it is the duty of Jasper County to provide safe and accessible granular surfaced roads.

THERE FORE the Jasper County Secondary Roads Department shall be authorized to add a 10,000 lb. weight restriction on granular surfaced roads when deemed necessary up to 60 days with the exception of fire vehicles, ambulances, law enforcement, and county public maintenance equipment.

Adopted this 14th day of March 2019.

Dennis Carpenter
Dennis Carpenter, Chairman
Jasper County Board of Supervisors

Attest: Dennis K Parrott
Dennis K Parrott
Jasper County Auditor
